PSC Youth Winter Training 2017/8

This training is aimed at sailors who are interested in improving their sailing skills, including racing. It is hoped this will give them the opportunity and skills to equip them to participate in Optimist, Topper and Feva Open meetings and/or Zone Squads. Our aim is to develop skills and confidence in PSC Youth Sailors in more difficult sailing conditions.

This is open to all youth sailors who are competent and ready for intensive coaching in cold weather. They will need suitable cold weather clothing. A dry suit is required for those new to winter sailing. Applicants are expected to take part in the 2017/2018 PSC Open Meetings and perhaps try out Opens at other clubs as well as national events.

Training will be run in separate groups of ability. Bacon butties will be provided at an additional cost. Parents need to be willing to help out for a minimum of two duties either for catering or locking up the club at the end of the day, we need you to sign up for these at the time of application.

There will be a charge of £80 to cover coaching expenses for all eight training dates and entry to regattas. To encourage attendance at the majority of Saturdays, there is no payment for individual sessions. We will be using experienced DIs.

Proposed Training Dates

9am start. The following dates are planned. Sailors are expected to attend all sessions although it is acknowledged that school commitments may affect this.
