

Ladies' Sailing

For adult lady members

Monday 14th May

From 6.30 on the water

An evening when lady members can come along and enjoy some time on the water in a relaxed and friendly environment. We have volunteer instructor members on hand to offer coaching and advice or who can take you out for a sail if you are new to the sport.

The bar will be open for après sail drinks and it is a great opportunity to meet other lady members. The bbq will be in action weather permitting with hot dogs ready for when you come off the water. All you need to do is turn up and enjoy!

If you have any queries you can email me on jane-hayden@outlook.com
