

## Open Meetings - Covid-19 Guidance

### General

- Please do not come to the club if you are feeling unwell in any way or have any of the Covid symptoms.
- We have installed sanitiser stations in the building, please use them as well as washing your hands regularly.
- Keep your distance (follow the current social distancing rules at all times – 2 metres or 1 metre plus with mitigation.)
- **Please comply with government guidelines regarding group size – absolutely no more than six persons in any group – it's the law.** Individuals and groups to remain socially distanced at all times.

### Changing Rooms

- At present the changing rooms remain closed.
- Please come changed and go home to change if possible. Only use the changing rooms where necessary (e.g. after a capsized).
- Please use the disabled toilets as a first port of call to avoid using the changing rooms.
- If the changing rooms have been brought into use they will be marked out into bays to ensure those using them are socially distanced.
- If you use the changing rooms please do so as quickly as possible, then leave.
- Remove your kit from the changing rooms when you vacate them and place it back in your car.
- **The maximum capacity for both changing rooms is six.** Do not breach this and please be patient.
- When in use please ensure the windows are opened to further improve ventilation
- Please wipe down the area you use before and after use with the cleaners/disinfectant provided

### Security Lockers

- Security lockers are in use, but please sanitise the keys before and after use

### Clubhouse

- As far as possible try and stay outside, as this is safer.
- If you go in the clubhouse follow the rules below.
- **Please comply with government guidelines regarding group size – absolutely no more than six persons in any group – it's the law.** Individuals and groups to remain socially distanced at all times.
- As we are using our CCTV for track and trace records compliance, guests must ensure they record their names and contact details in the Visitors' Book.
- If going to the galley only, please follow the guidance tape/arrows.
- Please use the sanitiser available on each table.
- Please do not move the furniture around as this may breach social distancing compliance.

Above all, please enjoy your time at the Club and your sailing.
